

Public User Guide for Watermark Printing

1. Click on the link 'Enquire on My Application's Status now' and the Enquiry of Application Status screen will be displayed (Refer to Diagram 1.1). To retrieve an application, enter the application number and applicant's NRIC number. Next, click on the 'Search' button.

Enquiry of Application Status	
Application Number	<input type="text"/>
NRIC/FIN/Passport No. of Applicant/Licensee	<input type="text"/>
<input type="button" value="Search"/>	

Diagram 1.1 Watermark Printing – Enquiry Screen

2. For the retrieved application, the details of the application will be displayed. A printer icon will appear at the Clip ID of the certificate(s) listed. (Refer to Diagram 1.2). Please ensure that the Java Runtime Environment installed is **version 1.5.0.2** and above before proceeding to do watermark printing.

Enquiry of Application Status			
Application Number	: A15200700000021		
Application Date	: 06/09/2007 13:32		
Applicant	: TOH (S1234568A)		
Organisation	: FER (CR11223344)		
Application Status	: Approved		
Remarks	:		
Approved/Rejected On	: 06/09/2007 13:45		
Approved/Rejected By	: Name of Root		
Pay Status	: PAID		
Payment Amount (SGD)	: 33.60		
Licence(s)/Permit(s)/Certificate(s):			
Licence/Permit/Certificate Number	Issue Date	Expiry Date	Status
 HO0700020NM	06/09/2007	16/09/2007	ISSUED
<input type="button" value="Back"/>			

Diagram 1.2 Watermark Printing - Paid

3. Click on the printer icon at the Clip ID to print. A new window will display the links for the certificate(s) and attachments to be printed. (Refer to Diagram 1.3). Please take note that the printer icon will not appear if payment has not been made.

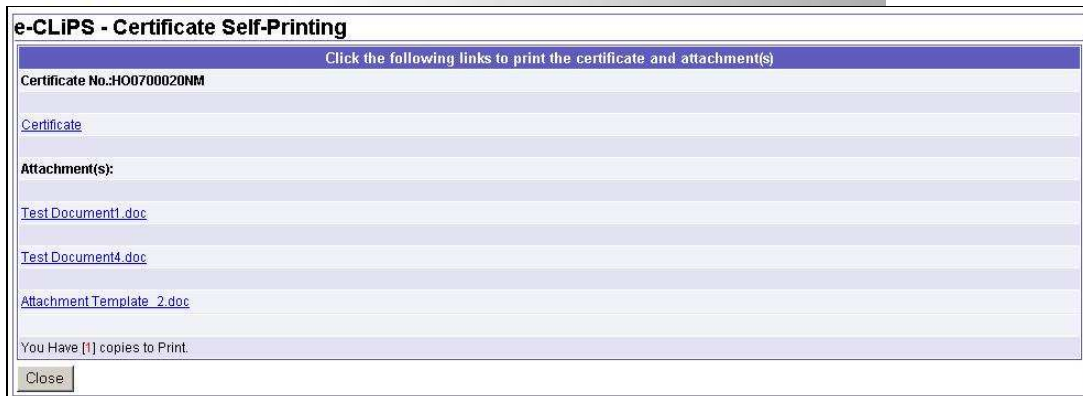

Diagram 1.3 Watermark Printing – List of certificates and attachments

4. Select and click on one of the links displayed. A pop-up screen to trust signed applet is displayed. Click the 'Always' button to proceed and the pop-up will not appear the next time when you do printing. (Refer to Diagram 1.4)

Diagram 1.4 Watermarked Printing (Trust Security Certificate)

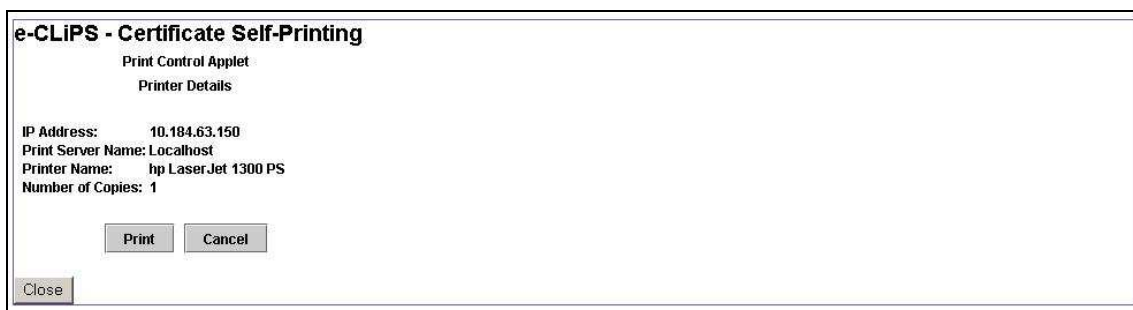

Diagram 1.4 Watermark Printing (Print Control Applet)

5. To print, click on the 'Print' button on the print control applet. The certificate will be printed. Close the window when printing is completed. **(Important: Please make sure that the printer is ready before you click the 'Print' button)**

Continue to select another certificate or attachment for printing from the window displaying the links for the certificate(s) and attachments to be printed. Close the window after all the selected certificate(s) and attachments have been printed, by clicking on the 'Close' button.

(See **Annex 1**: List of Printers that Support the Printing of the Watermark Features)

(See **Annex 2**: Samples of certificate/attachments with/without watermark)
